SUMMARY

Software Developer with 2 years of experience in web and mobile development. Skilled in JavaScript, TypeScript, Node.js, React and React Native. Experience using Expo to develop and deploy cross platform mobile apps. Work well in Agile teams, collaborating with developers, designers, and product managers. Committed to writing clean, maintainable code and delivering user friendly features from concept to deployment

Technical Skills:

- Programming Languages: Javascript, Typescript.
- Frameworks: ReactJs, React Native, NodeJS.
- DataBase: PostgreSQL, MongoDB.
- Cloud & DevOps: Netlify, Git, Github, Gitlab.
- Testing & Tools: Jest, Postman.

EXPERIENCE

Software Developer - Rauva

Sep 2023 - Present

- Developed and deployed scalable mobile applications using **React Native** and **Expo** for both iOS and Android platforms.
- Created flexible and reusable UI components based on the company's **design system**.
- Built and maintained RESTful APIs with **Node.js** to support mobile and web applications.
- Implemented test coverage through unit and end-to-end tests using **Jest** and testing libraries.
- Collaborated with product, design, and engineering teams in an Agile environment to deliver features efficiently.

Technologies: JavaScript, TypeScript, NodeJs, React, React Native, PostgreSQL, REST APIs, Git, GitLab, Postman

Backend Developer - Set4pet

Mar 2023 – May 2023

- Designed and implemented **REST APIs**
- Worked with **Kotlin**, **Spring Boot**, and **Docker**

Frontend Developer – [Personal Portfolio](#)

Sep 2023

- Designed and built a personal portfolio with **React** to showcase projects and technical skills.

EDUCATION

Web Development - Le Wagon

July 2023 – September 2023

- Full-time intensive bootcamp covering HTML, CSS, JavaScript, SQL, Git, GitHub, and Ruby on Rails.
- Selected as one of 5 scholarship winners out of over 700 applicants through a program supported by Câmara Municipal de Lisboa.

Web Development - Ironhack

October 2022 – December 2022

- Web development program focused on the MERN Stack (MongoDB, Express, React, Node.js).

Bachelor of Civil Engineering - Centro Universitário Maurício de Nassau

January 2017 – June 2019

Exchange Student in Civil Engineering - South East Technological University, Ireland

September 2014 – May 2015

TECHNICAL SKILLS

- Programming Languages: Javascript, Typescript
- Frameworks: ReactJs, React Native, NodeJS
- DataBase: PostgreSQL, MongoDB.
- Cloud & DevOps: Netlify, Git, Github, Gitlab.
- Testing & Tools: Jest, Postman

LANGUAGES

- **Portuguese:** Native
- **English:** Advanced
